Education

University of Wisconsin – Stout,
2018 – present
Waukesha Engineering
Preparatory Academy, 2014-2018

Key Skills

Cisco IOS routing/switching
Cisco IOS troubleshooting
Web development fundamentals
Home lab environment
PC and iPad reimaging

Objective

Computer Networking & IT student seeking industry experience to further my professional development. I have strong leadership and communication skills. I am experienced in working in fast-paced environments which demand strong organizational, technical, and interpersonal skills.

Experience

9/2017 – 8/2020

Technology Intern • School District of Waukesha

Coordinated with supervisors and team members to effectively complete assigned tasks in an independent, time-efficient manner. Worked and became comfortable with iPad troubleshooting, Windows 10 imaging & troubleshooting, switch installation & removal, and more.

3/2017 – 9/2017

Crew Leader • Cousin's Subs

Lead crew members by facilitating and participating in employee training. Assisted manager(s) on duty in all aspects of store operation.

6/2015 – 3/2017

Crew Member • Cousin's Subs

Coordinated with crew members to effectively handle sandwich and food preparation, cleaning, and cashier operations. Worked with customers to ensure their satisfaction.

Accomplishments

Microsoft Office Specialist Certification, December 2018

Eagle Scout, April 2018

Leadership

Senior Patrol Leader, Boy Scouts of America, 2016-2017

Patrol Leader, Boy Scouts of America, 2015-2016
